

Decision Support Models and Expert Systems

David L. Olson and James F. Courtney, Jr.
Houston: DAME (1998); {now Thompson Learning}
ISBN 0-02-389340-0

Computer systems to aid business decision making

discussion of computer systems to support decision making, models used in that process, demonstrated through real examples

Table of Contents

Chapter 1 Introduction
Chapter 2 The Concept of Decision Support Systems
Chapter 3 Real DSS Examples
Chapter 4 Group Decision Support Systems
Chapter 5 Executive Information Systems
Chapter 6 Individual Decision Making
Chapter 7 Organizational Decision Making
Chapter 8 Object-Oriented Systems
Chapter 9 Decision Modeling
Chapter 10 Modeling Selection Decisions
Chapter 11 Modeling Support
Chapter 12 Data Collection and Data Access
Chapter 13 Database Management
Chapter 14 Expert Systems
Chapter 15 Expert Systems with EXSYS
Chapter 16 Neural Networks
Chapter 17 Future Expectations
Supp Chapter 1 Forecasting
Supp Chapter 2 Linear Programming
Supp Chapter 3 Simulation
